

Prayer Diary: CSW Team

19-25 July 2026

The CSW team spans the world! We're a diverse group of highly skilled, deeply passionate people – including lawyers, advocacy experts, in-country partners and volunteers. And alongside us are those who faithfully pray, campaign, and give so generously to ensure our advocacy efforts are possible.

We're all working together with one goal in mind: to see the world set free from religious persecution.

Sunday 19 July

'We're so thankful for all the wonderful churches that have invited us to speak in their services and partner with us in the work of justice. Please pray for the team heading to Wildfires Festival this week, that the conversations they have will inspire even more people to stand with us.'

(Church Engagement Manager, Bruna Willing)

Monday 20 July

'I'm very pleased to lead CSW-Nigeria. Every member of the team shows commitment and resilience in this work, despite the difficulties of the environment in which we serve. Please ask God to continue protecting and sustaining us.' **(Rev Yunusa Nmadu, CEO CSW-Nigeria)**

Tuesday 21 July

'Please pray for CSW's work in Latin America. Pray especially that our campaign Total Peace would be effective, and that the incoming government in Colombia would restore protections for religious leaders who face grave danger.' **(Deputy Team Leader for Latin America)**

Wednesday 22 July

'I'd appreciate your prayers for our work in international advocacy arenas and with the media too. In a world where there's so much misinformation, it's more important than ever that the truth is shared in places of power and influence.' **(Kiri Kankhwende, External Affairs Team Leader)**

Thursday 23 July

'Please pray for CSW's work in the Middle East. It's a very turbulent time for the region, so pray especially for the safety and protection of the vulnerable religious minority communities we work with and for.'

(Mena, Advocacy Officer for the Middle East and North Africa)

Friday 24 July

'Please could you pray for CSW-USA? Our team is small but has a big vision and a lot of passion! Ask God to help us share CSW's mission effectively with churches across the US.' **(Darren Adwalpalker, President of CSW-USA)**

Saturday 25 July

'We are blessed to have a very dedicated team based in Europe and within the region to defend freedom of religion or belief in Asia. Thank God for our staff and for all the in-country documenters who are pivotal to our advocacy.' **(Raj, Asia Team Leader)**
