

We Stand with Stan

The recent arrest of Stan Swamy is a gross violation of human rights and democratic norms.

We, the undersigned, strongly condemn the arrest of Jharkhand's Stan Swamy by the NIA in the Bhima-Koregaon case on the evening of 8 October 2020. Stan Swamy, 84 years old, is a valued and public-spiritedness citizen who has worked for Adivasi rights since decades in Jharkhand.

The inhuman and insincere act of the NIA authorities in arresting Stan Swamy stands out for its sheer vindictiveness for Stan fully cooperated with the investigating officers of the NIA when they questioned him at his residence in Bagaicha for over 15 hours (on 27-30 July and 6 August). Stan has consistently denied any link with extremist leftist forces or Maoists. He had also clearly told the NIA that some so-called extracts allegedly taken from his computer shown to him by the NIA were fake and fabricated and that he disowned them. It is deeply worrying that the NIA arrested an 84-year old with several health ailments during the COVID epidemic and made him travel to Mumbai. Stan's statement, written two days before the arrest, is attached. His video testimony can be seen here - <https://youtu.be/KNVibqUVZDU> .

Stan works for the rights of Adivasis and other underprivileged groups in the state. Among other issues, he works on displacement, corporate loot of resources, the condition of undertrials and PESA. Stan has been a vocal critic of the BJP government's attempts to amend land laws and the land acquisition act in Jharkhand, and a strong advocate of the Forest Rights Act, PESA and related laws. We know Stan as an exceptionally gentle, honest and selfless person. We have the highest regard for him and his work.

We firmly believe that the Bhima-Koregaon case, being driven by the Modi government, is a baseless fabrication. The central government, in the guise of the Bhima Koregaon case, is trying to build a false narrative of a national Maoist conspiracy against the state that involves these activists. The main objective of the case is to target and harass activists who work for the rights of Adivasis, Dalits and the marginalised and raise questions against the anti-people policies of the government. The Bhima-Koregaon conspiracy case exposes the extent to which the central government is willing to undermine constitutional values and suppress dissent. The arrest of Stan Swamy is also an attack on all those working for human and constitutional rights in Jharkhand.

In June 2019, when the Maharashtra police had raided Stan Swamy's residence at Bagaicha in the Bhima-Koregaon case, the then leader of opposition Hemant Soren had strongly [condemned](#) this and said: "Back in power, BJP govt is back to dirty business, stifling all voices of dissent. Stan Swamy has been a leading voice tribal rights and welfare. I strongly condemn this forceful and unwarranted raids in his house".

We appeal to Chief Minister Hemant Soren to oppose Stan Swamy's arrest and demand from the central government the immediate release of Stan Swamy and closure of the case.
